Work Experience

Lead Front-End Developer

April 2022 - November 2024 | Gurgaon

Maxlence Digital (OPC) Private Limited

ROLE AND RESPONSIBILITIES

- Designed reusable, modular components and front-end libraries to promote code maintainability and application scalability.
- Developed and maintained high-performance, responsive user-facing features using React.js, ensuring seamless functionality across all devices and browsers.
- Coordinated cross-functionally with UI/UX designers and product managers to translate design mockups and user requirements into functional, visually appealing, and user-centric solutions.
- Championed code quality by writing clean, well-documented code, conducting thorough code

reviews, and providing constructive feedback to team members.

- Proactively identified, troubleshoot, and debugged complex front-end issues, implementing effective solutions to optimize application speed and user interactions.
